Abstracts will be accepted until the 10th of March 2018 the latest

✉ idoisads@gmail.com

The proposals should have an abstract (max. 500 words), a theoretical framework (300 words), the questions to be discussed, and references. The conference language is English.

If accepted, the final version of the presentation should have until 5000 words, including references – and please attach the abstract as well. The rules to follow are APA 6. Deadline to send the full papers of accepted submissions is the 10th of April 2018.

A booklet with the final texts will be produced and made publicly available in the website prior to the encounter.
